

# Meet Cupcake...

Our Fabulous Feline of the Week!

What goes great with frosting? Cupcakes, and that's my name.

I am a beautiful bouncy young female tabby cat who was born on April 12, 2009. I was brought to the SPCA along with my sister, Cookie, when our previous owner no longer wanted us. I am very sweet and love to have my head rubbed. I also enjoy spending time with other fabulous felines in Cat Room 8. I am spayed, micro-chipped and up to date on my vaccines.

Please stop by and see about giving me my first PURRfect home.

Love, Cupcake
