

### Try Something New

We have so many ways that volunteers can get involved: crafting, making enrichment items, tabling at events, taking photos, socializing cats, walking dogs, and more! If you would like to try out something new but don't know how to get started, just contact Alexis.

### Shout-outs

In lieu of Volunteer of the Month, I'd like to introduce our new "shout out board" at the shelter. This is a place for volunteers and staff to compliment one another. We appreciate what all of you do every single day, and this is one more way for us to thank you. Please feel free to contribute your own compliments, just grab a post it note and write a shout out to another volunteer or a staff member for being awesome.

### Happy Birthday!

### Quote of the Month

"Look at animals kindly, and they will see. Talk to animals gently, and they will listen."

-A.D. Williams

### Memorial Garden

We are looking to revamp our Memorial Garden at the shelter. If you have a knack for carpentry, crafting or gardening, be on the lookout in your email for ways you can help!
